Attendance Policies:

New: Children must arrive by 9:00 am every day – or will not be allowed to attend that day.

- Exceptions are medical appointments, out of town family visits, and the occasional work schedule change.
- **New:** Payments are made BEFORE attendance.
 - While we do not have late charges – we have a 2-day grace period. You have till **Tuesday at 6:00 pm** to pay your fees for the week, whether they be weekly reserved or daily reserved.
 - Your child may not attend Wednesday until the weekly fees are paid in full for that week.
 - Your space is still reserved for your child – however – due to the thousands and thousands of lost revenues due to “promises” to pay and care given – we will no longer allow care without payment.
- **New:** We do not have late charges for after 6:00 pm pick up, however, we will not allow a family to continue to be enrolled if the pickup time of 6:00 pm is not honored.
- **New:** 10 Hours per day of care is limit. There are no more 12-hour days of care for the normal reserved daily or weekly rates.

A final note on daily attendance families:

- There are very few centers that allow daily attendance in their centers.
- We do, but there are very important policies our daily clients are required to stay enrolled as a daily client.
 - If you are a daily client who has different daily needs week to week, you are required to send us a text by Friday, by noon of your next week schedule. If you do not advise us of that schedule – you will not be put on our attendance schedule and you will be charged your minimum of 2 days, which will be paid in full before you attend again.
 - If your child is not attending on their reserved day, you are required to let us know by 9:00 am via text or a phone call. Continuing lapses of this policy will result in being unenrolled from our daycare.

Our center is willing to work with families individually – when needed – however, due to staffing problems that have crippled our nation – we simply do not have the staff to fulfil individual and unusual schedules that required extra billing and extra staff management. We understand some families have different needs, we will help where we can, and where we cannot – we will be honest and let you know, we are not a good fit for your needs.
