- All Hourly Care is paid in advance of care on that day & is reserved care only.
- We do not use hourly care for any school age programs.
- We do not have hourly care available in the afternoons.

Rates for 2 or more children in a family are based on the individual needs of each family.

Attendance Policies:

New: Children must arrive by 9:00 am every day – or will not be allowed to attend that day.

- Exceptions are medical appointments, out of town family visits, and the occasional work schedule change.
- **New:** Payments are made BEFORE attendance.
 - While we do not have late charges – we have a 2-day grace period. You have till **Tuesday at 6:00 pm** to pay your fees for the week, whether they be weekly reserved or daily reserved.
 - Your child may not attend Wednesday until the weekly fees are paid in full for that week.
 - Your space is still reserved for your child – however – due to the thousands and thousands of lost revenues due to “promises” to pay and care given – we will no longer allow care without payment.
- **New:** We do not have late charges for after 6:00 pm pick up, however, we will not allow a family to continue to be enrolled if the pickup time of 6:00 pm is not honored.
- **New:** 10 Hours per day of care is limit. There are no more 12-hour days of care for the normal reserved daily or weekly rates.

All meals are included in daily and weekly reserved rates. As well, we provide specialty milks such as almond, soy, and lactose free milk.

Our center is willing to work with families individually – when needed – however, due to staffing problems that have crippled our nation – we simply do not have the staff to fulfil individual and unusual schedules that required extra billing and extra staff management.
